Top Ukrainian trade fair of technologies for forestry, woodworking and furniture industries LISDEREVMASH will be held on 28–30 September in Hall No. 2 of the International Exhibition Centre in Kyiv. Exhibiting companies from 12 countries will show a wide variety of machinery, equipment and tools.

LISDEREVMASH 2021 will take place at the usual time and place, and in the usual format. This year's edition will comprise 70 exhibiting companies from 12 countries: Austria, Belarus, China, Finland, Germany, India, Italy, Lithuania, Poland, Slovenia, Switzerland, and Ukraine. They represent 115 Ukrainian and foreign trademarks of machinery and equipment, tools and materials. Quite a number of woodworking machines will be seen live, since there will be several large stands with an area of 50 to 200 sqm.

This year's exhibitors are AVILDA, AMKODOR-UKROSPETSMASH, ARJES-UKRAINE, CERATIZIT, DOMINANT CNC, FALCON SCAN, FDB MASCHINEN, FELDER UKRAINE, FOREST TECHNICS, FORTECH, F-Z UKRAINE, GALACTIC, GARMATA UKRAINE, GIBLAB, GIPER, HSM – FOREST MACHINES, INCOMAC, INSTANKOSERVICE, INTEKS PLUS, INWORLD, ITA TOOLS, KIVERTSILISMASH, KMA-UKRAINE, KOMKONT, KOTLOTEH, LATSCHBACHER UKRAINE, LAZZONI GROUP, LEDINEK ENGINEERING, LIKA, MAXIMER, META GROUP, METABO, METALIST, MOST-KYIV, MWM-KYIV, OPEN FOREST, POLYTECHNIK, PROSTO CNC, RMP BIOENERGIA, SALMATEC, SPETSLISMASH, STANCOMPLECT, STANKOTECHSERVICE, STELA LAXHUBER, TECHNOCOM-UKRAINE, TECHNOS, TECHNOSTANKBUILDING, TOTAN-GROUP, UKR-TOOLS, VALLORBE SWISS, VECOPLAN, VECTOR, VEGA SERVICE, VEISTO, WEIMER K, WINTERSTEIGER.

The prime advantage of LISDEREVMASH has always been and remains its focus on technology. It showcases all basic groups of machinery and equipment, tools and materials for complete wood processing: from harvesting, primary processing, production of joinery and furniture to waste wood processing, production of pellets and solid fuel boilers.

In addition to meeting manufacturers and distributors, visitors can attend a range of business events and see spectacular demonstrations. On 28 September, XXIII All-Ukrainian Logging Championship organized by the State Forest Resources Agency of Ukraine will be held in the open-air area.

This year's business program will be divided into three parts — by number of days. The first Day of Forestry will comprise such events as meeting of the Society of Foresters of Ukraine, international round-table conference on prevention and suppression of forest fires in view of climatic changes, and informational seminar on FSC forest management certification.

The second Day of Woodworking will be devoted to topical issues of the Ukrainian timber market, which will be discussed at the Third All-Ukrainian Timber Industry Forum. On the third Day of Professional Education, representatives of education and business will meet potential applicants.

Every edition of LISDEREVMASH becomes a major event of the year for forestry, woodworking and furniture industries of Ukraine. LISDEREVMASH is supported by the State Forest Resources Agency of Ukraine, Society of Foresters of Ukraine, UADO association of woodworking machinery suppliers of Ukraine, Mebliderevprom association of furniture, woodworking enterprises and organizations of Ukraine.
