**LISDEREVMASH, top event for woodworking and forestry industries, will be held from 29 to 30 September in Kyiv, Ukraine. This year's edition will be held as a forum comprising a series of conferences and round table discussions organized by professional associations. So, LISDEREVMASH 2020 will become a place for dialogue and debate about the industries' future.**

The first day of LISDEREVMASH, 29 September, will start with a board meeting of the Society of Foresters of Ukraine. One of the most influential associations in the industry will summarize 30 years of its activities and discuss development strategy for Ukraine's forestry.

This year the Ukrainian Association of Furniture Manufacturers will join LISDEREVMASH for the first time. The conference Furniture Clusters in Ukraine from Establishing to Profit Earning will start on 29 September at 02:00 p.m. Experts will speak on sum and substance of furniture clusters; analyze best business practices in Ukraine and abroad, public support options; present 2025 Cluster Development Program draft.

Following that, visitors will be invited to attend a round table discussion organized by FSC Ukraine to listen and ask about forestry laws, forest policy tools and participation of local communities in making forest management decisions.

The second day of LISDEREVMASH, 30 September, will be devoted to one of the most debated issues in woodworking and furniture industries. Representatives of the Association of Woodworking and Logging Companies of Lviv Region, Mebliderevprom association, Ukrainian National Forestry University and National University of Life and Environmental Sciences of Ukraine will discuss timber market development, timber prices for Ukrainian manufacturers and opportunities provided by electronic auctions.

Meeting of the Employers' Council of the National University of Life and Environmental Sciences of Ukraine will be held later the same day.

Thus, this year's edition of LISDEREVMASH will offer a perfect opportunity to hear expert opinions on industry conditions and prospects, to get up-to-date information for planning and development of own businesses.
